Set on a gentle rise overlooking the tranquil waters of Goulds Lagoon, with all its bird life, this quality three-bedroom brick and colour bond home offers a sunny north-easterly aspect, with plenty of space for the family.

The living areas are open plan with a generous formal lounge room; the modern Tasmanian oak kitchen has more than enough bench and cupboard space. The formal dining area leads via a glass sliding door to an extensive rear leafy covered patio, perfect for entertaining a large group of family or friends for a BBQ.

All three comfortable bedrooms have built-in robes, with the family bathroom offering a separate shower and a bath, the toilet is separate as is the large laundry.

The home is fully fenced, and the level rear yard has fruit
