

20 Guthrie Street Kingston TAS

3  2  3 

This modern, recently constructed three bedrooms two-bathroom family home truly is the complete package and will suit so many groups from first-home buyers to retirees.

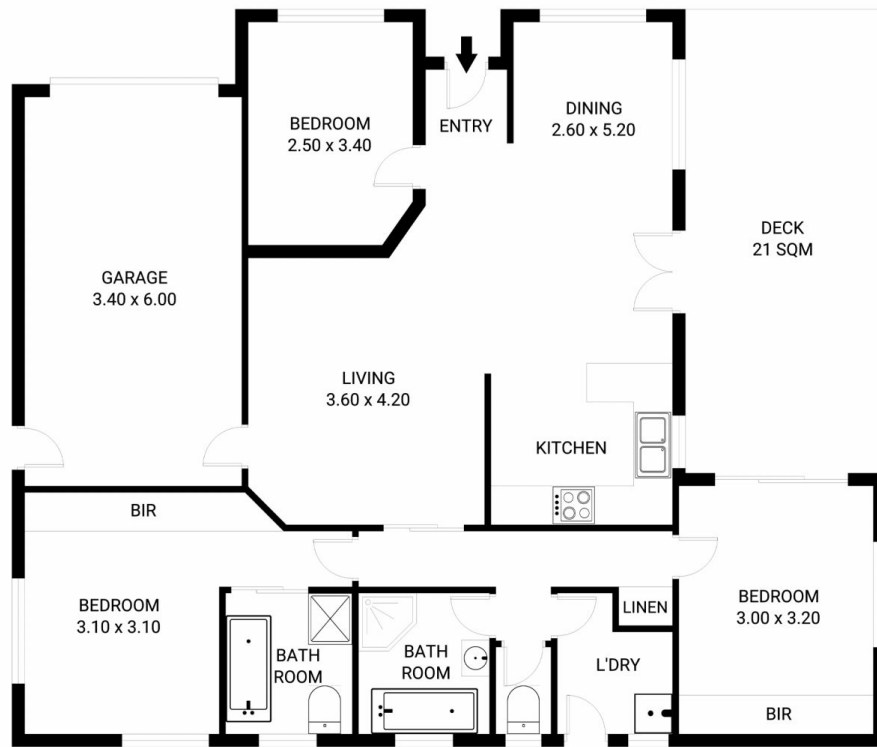

This home radiates from all-day sunshine with indoor and outdoor living areas gaining enhanced benefits from the north-westerly aspect, this and the fabulous mountain and country views on offer.

Each of the two beautiful bathrooms are extra stylish, as is the perfectly positioned kitchen. The bedrooms are spacious, storage is plentiful and garage access into the out of the home could not be more conveniently located. This home also boasts a high energy rating with double-glazed windows and a generous use of insulation products.
